

JIMMY CARTER

January 14, 2015

To Stephen Lockyer

Rosalynn and I are deeply grateful for your service as a member of The Carter Center's Board of Councilors. The Board has been the Center's main channel of communication to Atlanta and Georgia's private-sector leadership since 1987 and has been honored to count you in its ranks. We hope that you will accept renewal of your membership for a three-year term.

Rosalynn joins me in sending our warm best wishes.

Sincerely,

A handwritten signature in cursive script that reads "Jimmy Carter".
